The draft provisional agendas, annotations and lists of documents for these meetings as well as the provisional agenda for the Standing Committee for Programme Matters are presented below.

The Governing Council may wish to organize the consideration of the agenda items in accordance with the timetable contained in the annex to the present document. In accordance with rule 11 of the rules of procedure (DP/1/Rev.4), the Governing Council will elect a Bureau consisting of a President and four Vice-Presidents. Pursuant to footnote 2 of the same rule, "In electing the Bureau, due account should be taken of the need to ensure equitable geographical representation. In the election of the President, due regard shall be given to the geographical rotation of this office among the different regional groups".

According to the established pattern of rotation of posts among the various regional groups, the President of the Council for 1993 should be elected from among the Council members of the group of African States.

The Governing Council may wish to take into account that the President will be required to designate presiding officers for the Budgetary and Finance Committee and the Drafting Group. In accordance with paragraph 3 of decision 91/2 of 22 February 1991, the meetings of the Standing Committee for Programme Matters shall be chaired by the President of the Governing Council or by another member of the Bureau designated by the President.

3. Adoption of the agenda

The present provisional agenda and the annotations thereto have been prepared in accordance with past practice and reflect items which need to be considered pursuant to decisions emanating from previous sessions of the Governing Council.

4. Rationalization of the work of the Governing Council

In paragraph 11 of its decision 92/2 of 14 February 1992, the Governing Council decided "to review at its annual organizational meeting additional possibilities for the rationalization of the work of the Governing Council, including a review of meeting and documentation requirements".

Bearing in mind that the General Assembly is currently discussing restructuring and revitalization of the United Nations in the economic, social and related fields, no new major initiative to streamline the work of the Governing Council is being proposed before the conclusion of the on-going United Nations reform effort.

The Governing Council will have before it a note by the secretariat (Document DP/1993/2) containing a table of subjects included in the Council agenda for 1992-1995, as requested by the Council in paragraph 9 of decision 92/2.

Possible decisions taken under this item may affect the draft provisional agenda of the fortieth session of the Governing Council (1993) and the organization of work to be discussed under item 5.

5. Matters relating to the work of the Governing Council in 1993

(a) Provisional agenda and organization of work for the special session

The Governing Council will have before it for consideration and approval the draft provisional agenda and organization of work for the special session, including that for the Standing Committee for Programme Matters, contained in Chapter III and the annex of the present document. The report on the status of documents for the special session is contained in document DP/1993/1.

(b) Provisional agenda and organization of work for the fortieth session

The Governing Council will have before it for consideration and approval a note by the secretariat (DP/1993/L.2) containing the draft provisional agenda and a tentative schedule of work for its fortieth session (1993).

The note by the secretariat has been finalized before the conclusion of the work of the ad hoc open-ended working group established by the President of the General Assembly at its forty-seventh session on agenda item 47 (Restructuring and revitalization of the United Nations in the economic, social and related fields). Decisions concerning agenda and organization of work for the fortieth session of the Governing Council may need to be taken in the light of the conclusions of the work of the ad hoc working group.

In accordance with decision 92/47 of 26 May 1992, the fortieth session of the Council will begin at the United Nations Headquarters in New York on Tuesday, 1 June 1993. A proposal for closure of the session on Friday, 18 June 1993 is submitted for consideration of the Council.

The Governing Council may wish to consider which items of the provisional agenda will be allocated to the Budgetary and Finance Committee and to the Standing Committee for Programme Matters for their consideration. It might be recalled that, in accordance with paragraph 4 (a) of decision 81/37 of 27 June 1981 and paragraph 4 of decision 91/2 A of 22 February 1991, the two Committees will have their own agenda and organization of work.

The Governing Council is, as in previous years, invited to waive its requirement that documents be submitted to the Office of Conference Services at least 10 weeks before the fortieth session for some documents that are based on data received from other agencies or financial data concerning the year 1992.

In accordance with its decision 92/16 of 26 May 1992, the Governing Council will have before it a report on the following:

In addition, the Council will have before it an extension of the country programme for Cyprus.

The Governing Council will also have before it a note by the Administrator concerning approval of projects in Somalia on a case-by-case basis, pending normalization of the situation in that country (DP/1993/59).

(b) Tentative timetable for mid-term reviews 1993-1995

In response to paragraph 5 of Governing Council decision 92/28 of 26 May

1992, a report is submitted to the Council containing a tentative timetable for the various mid-term reviews to be carried out in the years 1993-1995, together with proposals concerning reporting on the outcome of the reviews (DP/1993/6).

(c) Administrative authority to approve preparatory assistance to global projects

The Governing Council will have before it a recommendation to increase the authority granted to the Administrator from the present level of $125,000 to $250,000 for all global preparatory assistance projects (DP/1993/51).

(d) Sectoral Support Programme: UNIDO Country Director

The Industrial Development Board of the United Nations Industrial Development Organization (UNIDO), in its decision 11 of 6 November 1992 concerning the UNIDO Country Director programme, invited the Governing Council of UNDP, at its February 1993 session, if possible, to consider the need for and possibility of increasing the annual allocation as of 1993 for the UNIDO Country Director (UCD) programme to permit at least the maintenance of the present number of UCD posts, and preferably to increase the number of UCD posts to reach the target established.

In response to this UNIDO decision, and in light of the financial expenditures reported for 1992 and the estimates for 1993, the Administrator proposes that the Governing Council consider increasing the yearly allocation for 1992 and 1993 within the limits of the total $19 million earmarked by the Council for funding the UNIDO Country Director programme under the Sectoral Support Programme in the fifth cycle. This would lead to a corresponding reduction of yearly allocations for the last three years of the cycle (DP/1993/61).

Organizational meeting
16 February 1993, New York
Item 5 of the provisional agenda

MATTERS RELATING TO THE WORK OF THE GOVERNING COUNCIL IN 1993

Provisional agenda and organization of work of the fortieth session

Note by the secretariat

INTRODUCTION

The present note by the secretariat has been finalized before the conclusion of the work of the ad hoc open-ended working group established by the President of the General Assembly at its forty-seventh session on agenda item 47 (Restructuring and revitalization of the United Nations in the economic, social and related fields). Decisions concerning agenda and organization of work for the fortieth session of the Governing Council may need to be taken in the light of the conclusions of the work of the ad hoc working group.

I. PROVISIONAL AGENDA FOR THE FORTIETH SESSION

1. In its decision 92/46 of 26 May 1992, the Governing Council decided to review the provisional agenda for the fortieth session at its organizational meeting in February 1993. A comprehensive provisional agenda for the fortieth session (1993) is contained in annex I.

II. ORGANIZATION OF WORK

2. In accordance with Governing Council decision 92/47 of 26 May 1992, the fortieth session of the Council will begin at the United Nations Headquarters in

New York on Tuesday, 1 June 1993. In annex II to the present note, the secretariat is submitting a proposal for the organization of work for the fortieth session in which the closure of the session is scheduled for Friday, 18 June 1993.

3. The tentative schedule of work in annex II shows the proposed organization of work for the plenary, the Standing Committee for Programme Matters, the Budgetary and Finance Committee and the Drafting Group. The consideration of the various items is scheduled to avoid simultaneous meetings by the sessional bodies dealing with the same matter. The Governing Council may wish to entrust its Bureau with the task of adjusting the schedule of meetings within the overall allocation of services to ensure a smooth and proper conduct of the session.

4. Meetings will normally be scheduled from 10 a.m. to 1 p.m. and from 3 p.m. to 6 p.m. In that context, it may be recalled that, by section I, paragraph 3 (j), of its decision 81/37 of 27 June 1981, the Governing Council decided that its meetings should start promptly at their scheduled time. As in previous years, the Council may decide to waive rule 22 of its rules of procedure for its meetings in 1993, in so far as that rule refers to the requirement that there be a quorum of one third of the members of the Governing Council present to open a meeting or to proceed with a debate.

III. STANDING COMMITTEE FOR PROGRAMME MATTERS

5. In paragraph 4 of its decision 91/2 A of 22 February 1991, the Governing Council decided that the Standing Committee for Programme Matters should work within the framework of procedures of the Council, in a similar manner to the Budgetary and Finance Committee, taking into account, inter alia, the latter's practice with respect to the organization of work, the preparation of decisions, as well as the reporting to the plenary meetings of the Council.

6. In accordance with its decisions 90/23 of 23 June 1990 and 91/2 A, the Governing Council may wish to allocate to the Standing Committee for Programme Matters the following subjects for consideration:

(a) Implementation of country programmes in various regions;

(b) All country and intercountry programmes;

(c) Global and interregional programmes and projects;

(d) Country and intercountry programmes of the United Nations Population Fund (UNFPA);

(e) Evaluation.

7. A considerable number of country programmes will be presented to the Governing Council at its fortieth session for approval. UNFPA has tentatively estimated that approximately 15 country programmes will be submitted to the

Council in June 1993 while UNDP has similarly estimated that approximately 30 country programmes will be submitted.

IV. BUDGETARY AND FINANCE COMMITTEE

8. The Governing Council may wish to allocate to the Budgetary and Finance Committee item 8 (financial, budgetary and administrative matters) of the Council's provisional agenda. The Council may further wish to allocate to the Committee financial, budgetary and administrative questions related to item 5 (United Nations Population Fund) and to item 7 (other funds and programmes). As in the past, the Committee will review the financial implications of draft decisions before action is taken by the Council, especially in light of decision 86/53 of 27 June 1986. Moreover, the Council, at the beginning of its regular session, may refer a number of agenda items having financial implications to the Budgetary and Finance Committee for prior consideration of these aspects.

V. DRAFTING GROUP

9. In accordance with section I, paragraph 3 (k), of decision 81/37, decision 85/47 of 29 June 1985 and the annex of decision 87/50 of 19 June 1987, arrangements have also been made for the servicing of a Drafting Group of the Governing Council during its fortieth session.

10. By section III, paragraph 4, of its decision 83/1 of 14 February 1983, the Governing Council endorsed the principles which should guide the deliberations of the Drafting Group. The Drafting Group will elaborate and finalize draft decisions on those items referred to it by the plenary for the ultimate adoption of such decisions by the Council. All draft decisions formulated by the Drafting Group having financial implications must be referred to the Budgetary and Finance Committee before action is taken by the Council. The Council may also assign to the Drafting Group other specific tasks, as required.

VI. WAIVER OF THE 10-WEEK RULE FOR CERTAIN DOCUMENTS

11. The secretariat has drawn up a schedule for the timely preparation of documents for the fortieth session of the Governing Council, and steps have been taken to ensure transmission of documents to the United Nations Office of Conference Services at least 10 weeks before the commencement of the session, as recommended in paragraph 5 (b) of decision 83/40 of 18 June 1983.

12. However, as in previous years, financial and other data included in some of the reports will not be available before April 1993. The Governing Council is therefore invited to waive the 10-week rule for the following documents, which are based on data received from other agencies or financial data concerning the year 1992:

Annual report of the Administrator for 1992: Addenda 2 (statistical annex), 3 (subcontracts awarded) and 4 (major equipment ordered);
